News Update March 2018

Belarus Visit in February

Volunteers organiser Lynne Murphy and new member of our Management Team Brian Hardwick visited Belarus with CCP Director Linda Walker.

with whom we will soon be starting a new project.

Lynne and Brian were also the chief organisers of 'Saturday Night at the Movies' a great event in Altrincham where the Alice in Wonderland group, all made up of past volunteers, were the winners of the fancy dress competition. Held at the Cresta Court Hotel and with over 100 people taking part, the evening raised over £1,500 to fund holidays at Ptich for young adults from Zhuravichi and Vikov.

Residents at Zhuravichi and Vikov were delighted to see Lynne and Brian again, and plans were made for the volunteers visiting in the summer. They also visited all CCP's projects in Gomel Region and the Cancer Hospital and Hospice in Minsk, and had meetings with Regional Officials and with UNICEF

We have lots of great volunteers planning to go again this summer. But we still have some places available at the holiday camp, at Zhuravichi and Vikov (where experience in working with people with disabilities is needed) and also at Rechitsa Boarding Home where we sent volunteers for the first time last summer. Contact Lynne at lynnecm@live.co.uk if you would like to know more.

You can support Chernobyl Children's Project every time you eat out! ChariTable Bookings have about 8,500 restaurants enrolled who will each give the charity of your choice £1 for every person dining if you book through their website.

Next time you are planning a meal out go to <https://charitablebookings.com>, sign up (takes 2 minutes) choose Chernobyl Children's Project (UK) as your charity and when you have found the restaurant you want, ring up and book. If you join the 30 bookings challenge you also have the chance to win a holiday.

Visit to Manchester Schools

Vera Khitruk is the Head of the Inclusive Education Institute at the Pedagogical University in Minsk. In early March she came to Manchester to visit special schools and look at how inclusive education works in mainstream schools.

Many thanks to Lancasterian, Inscape House, Pictor, Seashell Royal, Camberwell Park, Grange and Rodney House Special Schools; to Bowker

Vale, St Paul's Withington and St George's New Mills Schools; to the outreach teams we met at these schools; to Stockport Inclusion Team and the lecturers in Inclusive Education and Autism at Manchester Metropolitan University; all of whom contributed to making this a fascinating and highly useful visit.

bulb

It takes just 2 minutes!

Have you been meaning to switch your gas and electricity to a greener supplier, but haven't had time to get around to it? Now's your chance to do it simply, quickly and with a £50 donation to CCP as an added bonus!

Bulb use 100% renewable electricity and 10% green gas. They are one of the cheapest providers on the market; don't change an exit fee if you change your mind; and it could not be easier to switch.

Just follow this link: [bulb](https://bulb.com), get yourself a quote and if you decide to switch, bulb will do the rest and we will receive a £25 donation for your electricity switch, and a further £25 if you switch gas as well.
